

Aging and Geriatric Care

AGS – 2026

We are delighted to invite you to the **AGING AND GERIATRIC CARE SUMMIT (AGS-2026)**, a global virtual event hosted by **RMN MEDCON**, bringing together the brightest minds in geriatric medicine and elder care. This exclusive webinar will delve into the latest innovations, research breakthroughs, and clinical best practices that are shaping the future of healthcare for aging populations.

Join leading geriatricians, elder care professionals, and researchers from around the world for an interactive event featuring expert talks, panel discussions, and real-world case insights. Whether you are a practising physician, a geriatric specialist, a medical student, or a healthcare innovator, this summit offers valuable learning and networking opportunities — all from the comfort of your screen.

On behalf of the Organising Committee, we would like to invite you to attend Aging And Geriatric Care Summit 2026.

We look forward to your virtual presence at this inspiring global event.

Sincerely,
Daniel Martin
